Craig,

I hope you had a safe and Merry Christmas. Please be advised that we do not agree that the arbitration "agreement" is enforceable.

Thank you.

Best,

Jim

Attorney Santos-

As a follow up to my email yesterday, attached is a signed copy of the arbitration agreement I was referring to.

Please let me know if we can address through a stipulated dismissal or if we need to file a motion to compel.

Attorney Santos-

I passed your settlement demand along to my client. They are not prepared to provide a counter offer or otherwise negotiate a resolution at this time.

On another topic, are you aware that your client signed an arbitration agreement with Westlake? She did. With that in mind, will you stipulate to dismiss the matter and proceed to arbitration? Or do you insist on us filing a motion to compel?

Please advise.
